UI UX Design

2023

I'm Gifino Thoriq

Design enthusiast, research aficionado, and tech aficionado – that's me! With a knack for crafting user-centered products and a flair for web development, I'm your go-to expert for bridging the gap between design and IT.

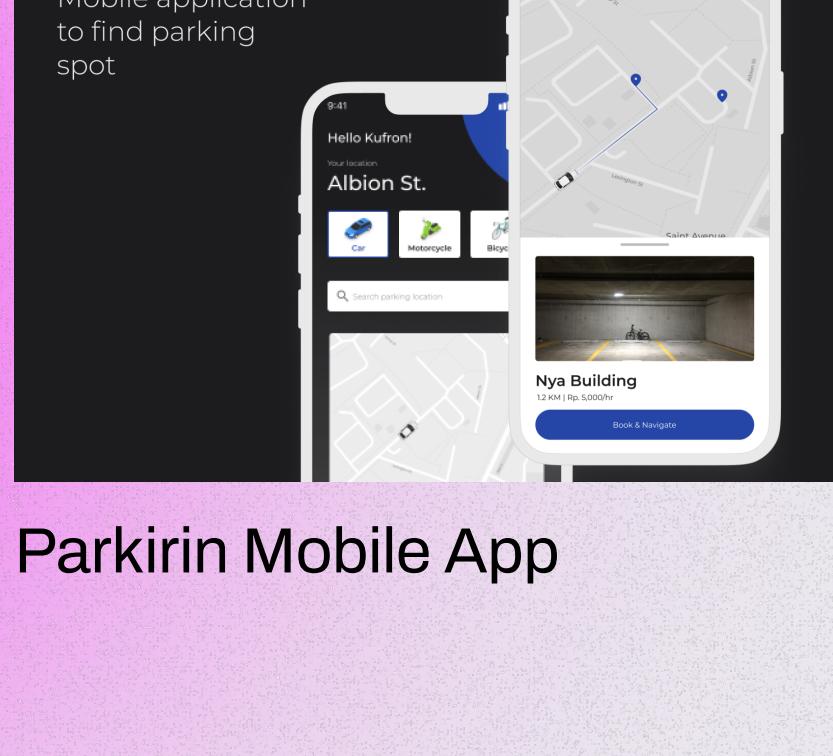

Collaboration is my jam – I thrive in dynamic teams where creativity and tech collide. Let's craft the future together!

Education

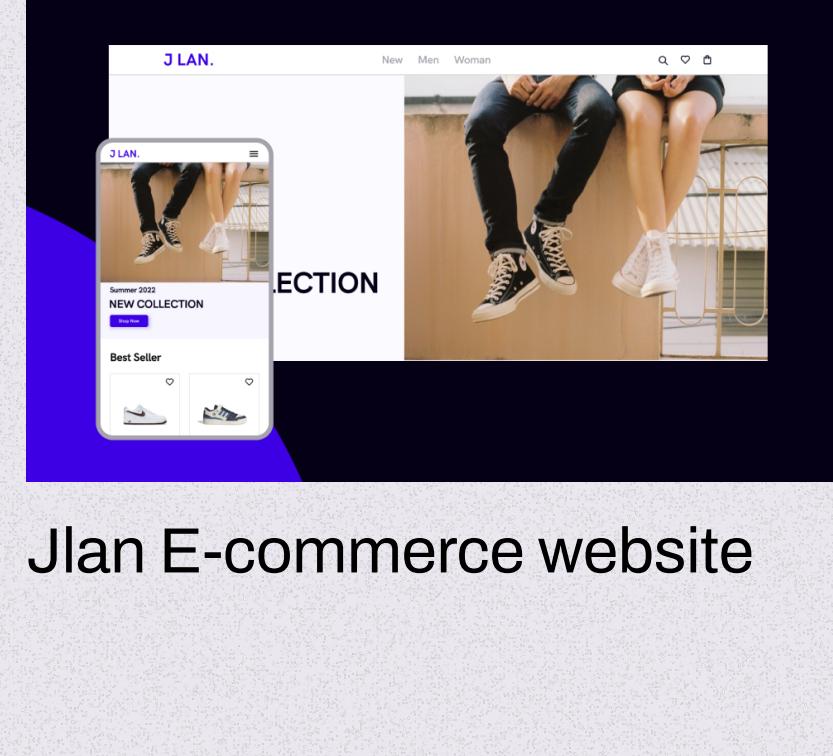

Bootcamp UI UX
Hari Senin, Indonesia

Information and Communication Technology
Asia e University, Malaysia

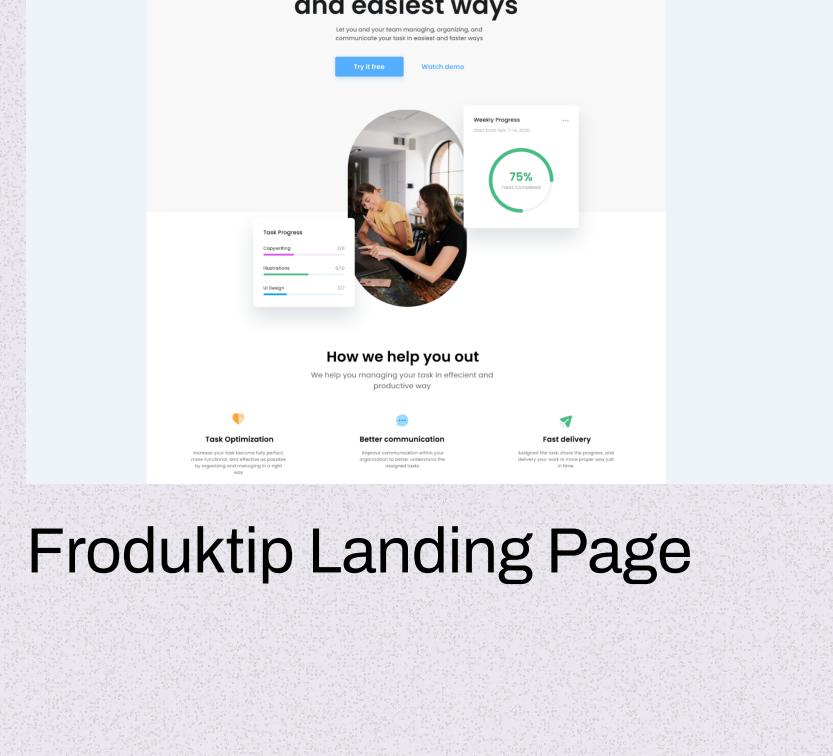

Projects

Parkirin Mobile App

Jlan E-commerce website

Produktip Landing Page
